

## Positive Affirmation Cards: Passionfruitful Life Coaching

Print these cards (on card stock is best) and cut them out. Then speak them out loud to yourself regularly (such as in the mornings) to build your faith in what God sees in you. You can add your own words on the second page.

<p><b>I am a wonderful woman, created with a purpose. God has great plans for me and He wants me to enjoy life to the fullest as I serve Him. I use my gifts and abilities to make a positive difference for those around me.</b></p>	<p><b>I do a great job in all my roles, including _____ _____ _____ (eg. business woman, student, wife, mom). I love the people well who are under my care/responsibility and I enjoy life with them!</b></p>
<p><b>I always seek God's leading as I grow and change more and more into the person He is creating me to be. I depend on Him, including His love, wisdom and strength in everything. I want to please Him in everything I do and say.</b></p>	<p><b>I am so thankful for everything I have. I constantly thank God for the good things in my life and am filled with joy. My joy spills over to the people around me who also become filled with gratitude.</b></p>
<p><b>I care about those around me who feel like outsiders. I welcome them and help them to feel accepted and affirmed. I care for people around the world who are suffering and strive to help in whatever way God seems to be leading me.</b></p>	<p><b>I speak words that uplift people and never words that bring them down. I strive to encourage those around me and help them to see God's call on their lives. I am honest and speak the truth, but always in love and with God's leading.</b></p>
<p><b>I am always filled with faith, hope, and love. People feel loved when they are around me and get to know the Father's love because of it. I always believe the best in others and show patience and kindness.</b></p>	<p><b>I accept God's grace in my life. Though I do my best to depend on Him and walk in love, I know that I'm far from perfect and that God loves me perfectly anyways. He is so full of compassion and understanding, and I accept His forgiveness for my wrongs.</b></p>
